

# Lucky Man

## Emerson Drive

So long as I got me a couple of trees  
To hang my hammock underneath in a summer breeze  
I'm a lucky man As long as I got me a dream or two  
And a little bit of faith that one day, they just might come true  
I'm a lucky man As long as I got this old guitar  
I'll be Johnny Cash in my backyard  
Playin' for my biggest fan  
You in your red sundress  
Hair all down and legs all tan Long as you'll put up with me  
I'll put the whole world in your hands  
If you believe in me then I believe  
I'm a lucky man As long as they keep on makin' parts  
For two-door eyesore made in America cars  
I'm a lucky man As long as I got me just enough gas  
To get me down to the fishin' hole and back  
Yeah, I'm a lucky man As long as I got you by my side  
I'll be Ricky Rudd on highway nine  
Drivin' with my biggest fan  
You in your red sundress  
Hair all down and legs all tan As long as you'll put up with me  
I'll put the whole world in your hands  
If you believe in me then I believe  
I'm a lucky man So long as there's beer and barbecue  
Football games and me and you  
I'll be The man in that photograph  
Marryin' my biggest fan  
You in your wedding dress  
Hair all up and legs all tan Long as you'll put up with me  
I'll put the whole world in your hands  
If you believe in me then I believe  
Yeah, if you believe in me then I believe  
I'm a lucky man I'm a lucky man  
Ooh, I'm a lucky man  
I'm a lucky man
