

Slow Blues In 'C' (Live In Frankfurt)

Ten Years After

Yes I get the blues and it hurts me deep inside
Yes I get the blues and it hurts me deep inside
That's why I'm gonna pack my bags I'm gonna leave this town and ride
Last night I lay sleeping I tell you babe I was sleeping by myself
Last night I lay sleeping I tell you babe I was sleeping by myself
The one I really love with is on the other side of town sleeping with somebody else.
I love my baby Yeah, God only knows I do
I love my baby I love my baby gonna tell the world I know I do that's why I'm gonna leave my woman, yeah,
and tell the world I know it's true.
