Angel in My Pocket (Extended Version)

Change

You were my lover just a short time ago
But now that's all behind me
I have an image of you holding me
And your pictures constantly remind me
This is my fairy tale that I just dreamed of
I remember all so clearly
You were the only one I had in my life
And I love you all so dearly(There's an angel in my pocket)
I'll keep moving on
(There is no need for you to play, I'll be with you)
(There's an angel in my pocket)
Keeps me on my toes
(And I'll keep moving 'til this feeling goes)(There's an angel in my pocket)
I'll keep moving on
(There is no need for you to play, I'll be with you)
(There's an angel in my pocket)
I'll find somebody new
(And I'll keep moving 'til this feeling goes)In passed relations I would go to extremes
But with you I feel the right thing
You tried to hurt me far too many times
When I thought our love was everlasting
This is my fairy tale that I just dreamed of
I remember all so clearly
You were the only one I had in my life
And I loved you all so dearly(There's an angel in my pocket)
I'll keep moving on yea
(There is no need for you to play, I'll be with you)
(There's an angel in my pocket)
Keeps me on my toes
(And I'll keep moving 'til this feeling goes)(There's an angel in my pocket)
I'll keep moving on baby
(There is no need for you to play, I'll be with you)
(There's an angel in my pocket)
I'll find somebody new
(And I'll keep moving 'til this feeling goes)You were my lover just a short time ago
But now that's all behind me
I have an image of you holding me
And your pictures constantly remind me
This is my fairy tale that I just dreamed of

I remember all so clearly
You were the only one I had in my life
And I love you all so dearly(There's an angel in my pocket)
Hope I did the right thing
(There is no need for you to play, I'll be with you)
I gotta be right
(There's an angel in my pocket)
I'm looking for that someone
(To take your place and I'll be thru with you)(There's an angel in my pocket)
I'll keep moving on
(There is no need for you to play, I'll be with you)
(There's an angel in my pocket)
Keep me on my toes
(And I'll keep moving 'til this feeling goes)(There's an angel in my pocket)
I'll keep moving on
(There is no need for you to play, I'll be with you)
I'll be with you baby
(There's an angel in my pocket)
Keeps me on my toes
(And I'll keep moving 'til this feeling goes)(There's an angel in my pocket)
There's someone that cares for me
(There is no need for you to play, I'll be with you)
Oh yea yea
(There's an angel in my pocket)
Have my life right in my hands
(To take your place and I'll be thru with you)(There's an angel in my pocket)
I have so many dreams
(There is no need for you to play, I'll be with you)
Oh Yea
(There's an angel in my pocket)
(And I'll keep moving 'til this feeling goes)
