

No One Knows

Queens of the Stone Age

We get these pills
No one knows We get some rules to follow
That and this
These and those
No one knows Oh, what you do to me
Pleasantly caving in We get these pills to swallow
How they stick
In your throat
Taste like gold Oh, what you do to me
No one knows
No one knows And I realize you're mine
Indeed a fool am I
I realize you're mine
Indeed a fool am I, I No one knows
