Better In Time - Single Mix

Leona Lewis

It's been the longest winter without you
I didn't know where to turn to
See somehow I cant forget you
After all that we've been through

Go in, come in thought I heard a knock
Who's there? No one thinking that I deserved it
Now I realize that I really didn't know
You didn't notice, you mean everything
quickly I'm learning, to love again
All I know is, I'ma be okay

Thought I couldn't live without you
It's gonna hurt when it heals to
It'll all get better in time
Even though i really love you
I'm gonna smile cause I deserve to
It'll all get better in time

How could I turn on the TV
Without something there to remind me
Was it all that easy to just put aside your feelings

If I'm dreaming
Don't wanna let, hurt my feelings

But thats the path, i believe in
And i know that, time will heal it
You didn't notice, you mean everything
Quickly I'm learning, to love again
All I know is, I'ma be ok

Thought I couldn't live without you
its gonna hurt when it heals to
It'll all get better in time
Even though i really love you
I'm gonna smile cause i deserve to
It'll all get better in time

Since theres no more you and me

Its time I let you go so I can be free
and live my life how it should be
no matter how hard it is ill be fine without you
yes I will

Thought i couldn't live without you
Its gonna hurt when it heals to
It'll all get better in time
Even though I really love you
I'm gonna smile cause I deserve to
It'll all get better in time

Thought i couldn't live without you
Its gonna hurt when it heals to
It'll all get better in time
Even though I really love you
I'm gonna smile cause I deserve to
It'll all get better in time
