

# Better In Time - Single Mix

Leona Lewis

It's been the longest winter without you  
I didn't know where to turn to  
See somehow I can't forget you  
After all that we've been through

Go in, come in thought I heard a knock  
Who's there? No one thinking that I deserved it  
Now I realize that I really didn't know  
You didn't notice, you mean everything  
quickly I'm learning, to love again  
All I know is, I'ma be okay

Thought I couldn't live without you  
It's gonna hurt when it heals to  
It'll all get better in time  
Even though i really love you  
I'm gonna smile cause I deserve to  
It'll all get better in time

How could I turn on the TV  
Without something there to remind me  
Was it all that easy to just put aside your feelings

If I'm dreaming  
Don't wanna let, hurt my feelings

But that's the path, i believe in  
And i know that, time will heal it  
You didn't notice, you mean everything  
Quickly I'm learning, to love again  
All I know is, I'ma be ok

Thought I couldn't live without you  
its gonna hurt when it heals to  
It'll all get better in time  
Even though i really love you  
I'm gonna smile cause i deserve to  
It'll all get better in time

Since there's no more you and me

Its time I let you go so I can be free  
and live my life how it should be  
no matter how hard it is ill be fine without you  
yes I will

Thought i couldn't live without you  
Its gonna hurt when it heals to  
It'll all get better in time  
Even though I really love you  
I'm gonna smile cause I deserve to  
It'll all get better in time

Thought i couldn't live without you  
Its gonna hurt when it heals to  
It'll all get better in time  
Even though I really love you  
I'm gonna smile cause I deserve to  
It'll all get better in time
