I Learned from You

Miley Cyrus & Billy Ray Cyrus

oooooo yeeaah
Sometimes I couldn't hear what
You tried to tell me
I thought that I knew all I need to know
I didn't understand that
The doors you would open
Could take me to somewhere I wanted to go
I can be strong for you now
You taught me howI learned from you
That I do not crumble
I learned that strength is
something you choose
All of the reasons
To keep on believing
There's no question
That's a lesson
I learned from youYou know where to find all
Of my hiding places
And there are no secrets
From you I can keep
You let me know how you feel
The good and the punches
But I never knew that kind of honesty
I'm grateful for all of the times
You opened my eyesI learned from you
That I do not crumble
I learned that strength is
something you choose
All of the reasons
To keep on believing
There's no question
That's a lesson
I learned from youYou helped me to stand on my own
And I thank you for that
You saved me
You made me
And now that I'm looking back
I can saaaay
whooooooo o ooooooah!whoaaaooaahooo ooo yeah!I learned from you(I learned from you)

That I do not crumble(I do not crumble)
I learned that strength is
something you choose(something you choooose)
All of the reasons
To keep on believing(keep on believiiinnng)
There's no question
That's a lesson(that's a lesson)
