## I Learned from You

## Miley Cyrus & Billy Ray Cyrus

ooooooo yeeaah

Sometimes I couldn't hear what

You tried to tell me

I thought that I knew all I need to know

I didn't understand that

The doors you would open

Could take me to somewhere I wanted to go

I can be strong for you now

You taught me howI learned from you

That I do not crumble

I learned that strength is

something you choose

All of the reasons

To keep on believing

There's no question

That's a lesson

I learned from youYou know where to find all

Of my hiding places

And there are no secrets

From you I can keep

You let me know how you feel

The good and the punches

But I never knew that kind of honesty

I'm grateful for all of the times

You opened my eyesI learned from you

That I do not crumble

I learned that strength is

something you choose

All of the reasons

To keep on believing

There's no question

That's a lesson

I learned from youYou helped me to stand on my own

And I thank you for that

You saved me

You made me

And now that I'm looking back

I can saaaaay

whooooooo o ooooooah!whoaaaooaahooo ooo yeah!I learned from you(I learned from you)

That I do not crumble(I do not crumble)
