

Lets Stay Together

Al Green

I, I'm so in love with you
Whatever you want to do is all right with me
'Cause you make me feel so brand new
And I want to spend my life with you Let me say that since, baby, since we've been together
Loving you forever is what I need
Oh let me be the one you come running to
I'll never be untrue Oh let's, let's stay together
Lovin' you whether, whether
Times are good or bad, happy or sad, alright, oh yeah
Whether times are good or bad, happy or sad Why somebody
Why people break up, Oh, turn around and make up
I just can't see, you'd never do that to me (would you baby)
To be around you is all I see, is what I want us to do
