

# Can't Be Friends

## Trey Songz

Look what this girl done did to me  
she done cut me off from her good good love. she told me that those days were gone ( gone, gone, gone)  
now I'm sitting here going half crazy cuz I know she still thinks about me too  
and it ain't no way in hell, that I can be just friends with you (you, you, you) And I wish we never did it  
And I wish we never loved it  
And I wish I never fell so deep in love with you and now it ain't no way we can be friends. The way it felt, no  
faking it  
maybe we were moving just a little too fast. But what we've done we can't take it back (back, back, back)  
now im sitting here half way crazy cuz I know she still thinks about me too  
and it ain't no way in hell, that I can be just friends with you (you, you, you) And I wish we never did it  
And I wish we never loved it  
And I wish I never fell so deep in love with you and now it aint no way we can be friends. And all I can say is  
la la la la la la la (laaaaa)  
la la la la la la la la la (la la la owwww)  
la la la la la la (laaaa)  
hey ain't no telling what we could have been,  
ain't no telling what we could've been (Noo)  
and if I knew it'd end like this,  
I never woulda kissed ya, cuz I fell in love wit ya,  
we never woulda kicked it, girl now everythang's different  
I lost my homie, lover, and my friend thats why I wish we never did it  
(ouu layyy) And I wish we never loved it (I wish we never loved it)  
And I wish I never fell so deep in love with you and well now it ain't no way we can be friends. la la la la la la la  
la laaaaa  
la la la la la la la laaaaa
