Nobody But My Baby

Karyn White

Nobody but my babyNo one can love me
No one can love me right
No one can love me
(No one, no one can love me right)No one can love me
(Nobody)
No one can love me right
(But my baby)
No one can love me
No one can love me rightIt's time to get sexy, my baby
So you better get ready for me baby
Oh yes I'm a woman and I've got special needs
And baby you're the kinda man I want
To knock me off my feet'Cause you say the sweetest things
That I really like to hear
That's how I know
That I really really love you so, ohNo one can love me right and give me all the things I like
Nobody but my baby
And no one can kiss me right and give me all the things I like
Nobody but my babyJust look at that body, so sexy
My chocolate daddy, ooh so tasty
Ooh boy you look ready to give your love to me
And you're the only man I want
To knock me off my feet'Cause you say the sweetest things
That I really like to hear
That's how I know
That I really really love you so ohNo one can love me right and give me all the things I like
Nobody but my baby
And no one can kiss me right and give me all the things I like
Nobody but my babyNo one can love me right, and give me all the things I like
Nobody but my baby
And no one can kiss me right, and give me all the things I like
Nobody but my babyHey baby you know you say the sweetest things
And do the nicest things that makes me wanna have you near
And I like, I like every little thing you do
Because I know, I know, I know I know
(Yeah)
That nobody but my baby, can give me this kind of loveNo one can love me
No no no no nobody in the whole wide world
(Nobody but my baby)

No I don't think ya heard meI said no one can kiss me right
And give me all the things I like
(Nobody but my baby)
No nobodyBecause you love me, love me, love me right
You love me, love me, love me right
You love me, love me, love me right
I wanna say it againI said you love me, love me, love me right
You love me, love me, love me right
You love me, love me, love me right
Said nobody nobody
(No one, nobody but my baby)Nobody but my baby
I wanna say it again said nobody
(No one)
Nobody
(Nobody but my baby)
Nobody but my baby
