

Eyes Wide Open

Travis

All these visions in my head
Should've gone to bed before the water shed
Some are live and some are dead
Makes no difference when they're in your head, headKeep the door, open a crack
So I can see them when they attack
Some are white and some are black
Makes no difference when they're on your backAnd I can't stop crying
And I can't stop driving
'Cause the day is dying, dying, dying
And my eyes wide openCount the sheep jumping the fence
So I can see tinkers when I'm feeling tense
Disbelief hung in suspense
Eiderdown is my own defenseAnd I can't stop crying
And I can't stop driving
'Cause the day is dying, dying, dying
And my eyes wide openAll these visions in my head
Should've gone to bed before the water shed
Some are live and some are dead
Makes no difference when they're in your headAnd I can't stop crying
And I can't stop driving
'Cause the day is dying, dying, dying
My eyes wide open
