

Sally

Grand Funk Railroad

Oh little, Sally, you know I love you, baby
Sally, I said I love you, baby
Sally, it's alright
(It's alright)Remember, girl, when we both was younger
It was the days we had so much fun, girl
Rememberin' all of our childhood days
We had our fun in so many waysYou know I would have loved you anyway
It ain't just something I just had to say
Don't let them tell you that you're not my kind
Sally, Sally, Sally, tell them you're mine, mine, mine
SallyOh little, Sally, I said I love you, baby
Sally, I said I love you, baby
Sally
(It's alright)You know I would have loved you anyway
It ain't just something I just had to say
Don't let them tell you that you're not my kind
Sally, Sally, Sally, tell them you're mine, mine, mineOh little, Sally, you know I love you, baby
Sally, I love you, baby
Sally, it's alright
(It's alright, it's alright)Oh little, Sally, you know I love you, baby
Sally
Sally, it's alright
(It's alright, it's alright, it's alright)
