

Fgmenth Thy Gift

Rotting Christ

Seremoth, Levino, Alchemoth
In lust time come forth
Arise from the chaos nights
Thy majesty devour the sonThy gift deserves you
The offer of Absu
Fgmenth beloved successor
See all dreams come true
Deliver us to him
Obey in the power create me
Inside my eyes your sightInside my mind your voice
A silent word attack me
It's called Razal Tach
The one connect our lifes
