

# Ain't Got Time (TS7 Remix)

M.O

(Intro)

Baby when you see me, oh I know you see me  
You hope to see me

(Intro)

Baby when you see me, oh I know you see me  
You hope to see me

I think you should know

I'm letting go(Chorus)

I ain't got time to worry about people

That don't worry about me

I ain't got time to listen to people

That don't listen to me

I ain't got time to care about people

That don't care about me

So there's a reason why I can't

Now is it so hard to understand(Verse)

Not one moment of that ain't got time

Know a view does what's on my mind

'Cause if I think about you

You must be more than just a friend to me

That is the truth that means you never began to me

Listen to what we do stay true what we will always be

Tide for life that's why(Chorus)

I ain't got time to worry about people

That don't worry about me

I ain't got time to listen to people

That don't listen to me

I ain't got time to care about people

That don't care about me

So there's a reason why I can't

Now is it so hard to understand(Verse)

I never really understood

When I called you were gone

That your daughter never saw you

Never saw you, never saw you no

So would, so would, so would, so would I look

Now I'm not talking to you but you wanna know more(Chorus)

I ain't got time to worry about people

That don't worry about me

I ain't got time to listen to people  
That don't listen to me  
I ain't got time to care about people  
That don't care about me  
So there's a reason why I can't  
Now is it so hard to understand(Bridge)  
How'd you get so low  
You gotta go baby let go  
How'd you get so low  
You gotta go baby let go  
How'd you get so low  
You gotta go baby let go  
How'd you get so low  
You gotta go baby let go  
How'd you get so low  
You gotta go baby let go  
How'd you get so low  
You gotta go baby let go  
How'd you get so low  
You gotta go baby let go  
How'd you get so low  
You gotta go baby let go  
How'd you get so low  
You gotta go baby let go(Chorus)  
I ain't got time to worry about people  
That don't worry about me  
I ain't got time to listen to people  
That don't listen to me  
I ain't got time to care about people  
That don't care about me  
So there's a reason why I can't  
Now is it so hard to understand
