## Kid Cudi

I can't decide  
What if life's a lie?  
I push the lames aside  
They'll learn  
I can't ever front, know why?  
It's not my style, no lie  
Fuck all the talk  
In time, they'll burn  
I can't decide  
What if life's a lie?  
I push the lames aside  
They'll learn  
I can't ever front, know why?  
Its not my style, no lie  
They'll never take me alive  
King Wizard! You love that little bit of new, now throwback  
Cleveland City snakeskin snapback  
Niggas know that uniform, keep the brim low  
You doubt him, don't know a damn thing about him  
What is hip hop without him, y'all niggas really just don't know  
Go, All day every day, hold on with all might  
I gave the world my heart and they gave the kids insight  
Yup now fuck you I ain't left  
I'm outta my mind like all the time  
And a nigga ain't missed one step yet, yep I can't decide  
What if life's a lie?  
I push the lames aside  
They'll learn  
I can't ever front, know why?  
It's not my style, no lie  
Fuck all the talk  
In time, they'll burn  
I can't decide  
What if life's a lie?  
I push the lames aside  
They'll learn  
I can't ever front, know why?  
Its not my style, no lie  
They'll never take me alive

King Wizard! My head hurt, gotta give me something that'll make me feel good  
I remember couldn't tell a nigga nothing, man I wish you would  
Niggas ain't working, like me I had to put my bit in  
All this rose gold I'm dipped in dressed in ? while I coast in clouds  
That's my life babe, crystal clear, no cascade  
I'm going, going I'm on a crusade  
To save the kids from the weak shit  
It's finally my world  
Here all the girls can be my girl  
Just sit back count stacks girl  
Hold a nigga down all the time girl
