

Boogie Street

Leonard Cohen

O Crown of Light, O Darkened One
I never thought wed meet
You kiss my lips and then its done
Im back on Boogie Street A sip of wine, a cigarette and then its time to go
I tidied up the kitchenette, I tuned the old banjo
Im wanted at the traffic-jam, theyre saving me a seat
Im what I am, and what I am is back on Boogie Street And O my love, I still recall the pleasures that we knew
The rivers and the waterfall, wherein I bathed with you
Bewildered by your beauty there, Id kneel to dry your feet
By such instructions you prepare a man for Boogie Street O Crown of Light, O Darkened One
I never thought wed meet
You kiss my lips and then its done
And Im back, back on Boogie Street So come, my friends, be not afraid, we are so lightly here
It is in love that we are made, in love we disappear
Though all the maps of blood and flesh are posted on the door
Theres no one who has told us yet what Boogie Street is for O Crown of Light, O Darkened One
I never thought wed meet
You kiss my lips, and then its done
And Im back, back on Boogie Street A sip of wine, a cigarette and then its time to go
I tidied up the kitchenette, I tuned the old banjo
Im wanted at the traffic-jam, theyre saving me a seat
Im what I am, and what I am is back on Boogie Street
