

# Happy Girl

**Martina McBride**

I used to live in a darkened room  
Had a face of stone and a heart of gloom  
Lost my hope, I was so far gone  
Cryin' all my tears with the curtains drawn I didn't know until my soul broke free  
I've got these angels watching over me, yeah Oh watch me go, I'm a happy girl  
Everybody knows  
That the sweetest thing that you'll ever see  
In the whole wide world is a happy girl I used to hide in a party crowd  
Bottled up inside, feeling so left out  
Standing in a corner wearing concrete shoes  
With my frozen smile and my lighted fuse Now every time I start to feel like that  
I roll out my heart, I like a welcome mat Oh, watch me go, I'm a happy girl  
Everybody knows  
That the sweetest thing that you'll ever see  
In the whole wide world is a happy girl Laugh when I feel like it, cry when I feel like it  
That's just how my life is that's how it goes Oh, watch me go, I'm a happy girl  
And I've come to know  
That the world won't change just 'cause I complain  
Let the axis twirl, I'm a happy girl Oh watch me go, I'm a happy girl  
Everybody knows  
That the sweetest thing that you'll ever see  
In the whole wide world is a happy girl Oh yeah, oh yeah  
I'm a happy girl
