Solitaire

Edenbridge

The nothingness of life
Plunged into eternal darkness
An animal at bay, words cannot convey
All is bathed in grayA cold winds blow, it's touch and go
If wishes were horses then beggars would ride
A torrid time, a strange design
Come hell or high water, come be the guideI am here, down the ages
The road in deep despair
I'm solitaireThe diamond in your chain
The beacon fire in endless strain
The diamond in your chainIs there a ghost of chance?
Here on this road to Damascus
The sun of eventide, temptations misguide
The agony insideCrash and burn at every turn
Helplessly losing perception of time
A friendly card, a strange regard
Searching for reason and seeking for rhymeI am here, down the ages
The road in deep despair
I'm solitaireThe diamond in your chain
The beacon fire in endless strain
The diamond in your chainI am here, down the ages
The road in deep despair
I'm solitaireThe diamond in your chain
The beacon fire in endless strain
The diamond in your chainPylon in the rain
Beacon in the strain
Pylon in the rain
Diamond in the chainPylon in the rain
Beacon in the strain
Pylon in the rain
Diamond in the chainI'm solitaire, I'm solitaire
Solitaire, I'm solitaire, woo-oo-ohDiamond in your chain
