Tonight

Tonight

Tonight, when someone hurts your feelings deep inside

Please don't care 'cause I will hold you tight

It's up to you tonight

It's up to you

Tonight, when someone hurts your feelings deep inside

Please don't care 'cause I will hold you tight

It's up to you tonight

It's up to you

Tonight, when someone hurts your feelings deep inside

Please don't care 'cause I will hold you tight

It's up to you tonight

It's up to you

Tonight

Tonight
