Invisible

Dream Evil

People see right through me
Treat me like I'm air
Talking shit about me as
As if I am not there
No one seems to listen
No one seems to care
All this makes me wonder
Am I really here - Am I really hereInvisible - Is there no remedy or cure
Invisible - I get repeatedly ignored
Invisible - I just can't take it anymore
Someone tell me what the hell is going onCan it be I'm dreaming
Can it be I'm dead
Would I've missed if someone came
And shot me through the head
What the hell has happened
What have I done wrong
Please somebody tell me
What is going on - What is going onInvisible - I scream but no one seems to hear
Invisible - I fear the ending must be near
Invisible - I leave no footprints in the snow
Will it be like this forever - What am I supposed to do
