

Before the Dawn

Promise Land

Verse 1

It's the middle of the night and everyone's a sleep.

She decides it's time.

Feelings of hopelessness surround her.

She feels like she can no longer go on.

For tomorrow's light - For the day. Chorus 1

For tomorrow's light - The sun will rise again

In only a moment if she'd see

For tomorrow's light - The sun she will see no more

It's only a moment - Before the Dawn Verse 2

She writes a letter and she sets it on the floor.

"Dear mom, I love you. I'm so sorry.. It's not your fault"

She goes towards the closet -

Pulls out her own demise just moments before she dies.

Before tomorrow's light - Before the Day Chorus 2

Before tomorrow's light - The sun would have rose again.

In only a moment if she'd seen.

For tomorrow's light - The sun she will see no more.

It's only a moment - Before the Dawn - Before the Dawn.
