

Not Meant to Be

Theory of a Deadman

It's never enough to say I'm sorry
It's never enough to say I care
But I'm caught between what you wanted from me
And knowing that if I give that to you
I might just disappear Nobody wins when everyone's losing [Chorus]
It's like one step forward and two steps back
No matter what I do you're always mad
And I, I can't change your mind
I know it's like trying to turn around on a one way street
I can't give you what you want
And it's killing me
And I, I'm starting to see
Maybe we're not meant to be It's never enough to say I love you
No, it's never enough to say I try
It's hard to believe
That there's no way out for you and me
And it seems to be the story of our lives Nobody wins when everyone's losing [Chorus] There's still time to turn
this around
You could build this up instead of tearing it down
But I keep thinking
Maybe it's too late [Chorus] It's like one step forward and two steps back
No matter what I do you're always mad
And I, baby I'm sorry to see
Maybe we're not meant to be
