

# Police Oppression

## The Offenders

I just cant take much more of this oppression  
I'm going out of my head and its getting that impression

I'm gunna go out for a walk

I'm gunna sit down and have talk

There asking me how, and they're asking me why, have you ever seen grown men cry?police police police  
oppression, police police police oppressionreally find it hard even walking round the streets

hey i know u son ill knock u off ur feet

same number a million times before,

shut ur mouth son or ill knock u on the floorpolice police police oppression, police police police oppressionI just  
cant take much more of this oppression

I'm going out of my head and its getting that impression

I'm gunna go out for a walk

I'm gunna sit down and have talk

There asking me how, and they're asking me why, have you ever seen grown men cry?police police oppression  
police police oppressionLying in the cells is really no fun

Counting the bricks learning some tricks

Ask me no questions and I'll tell you no lies

Is being different really a crime?police police police oppression

police police police oppression

police police police police
