Time Is Love

quasimode

[josh turner]i know i gotta put in the hours,
make the money while the sunlight shines
but anything i gotta get done,
it can get done some other time
time is love, gotta run,
love to hang longer,
but i got someone who waits,
waits for me and right now
she's where i need to be,
time is love, gotta run
i only get so many minutes,
don't wanna spend 'em all on the clock
in the time that we spent talkin',
how many kisses have i lost?
time is love, gotta run,
love to hang longer,
but i got someone who waits,
waits for me and right now

she's where i need to be,
time is love, gotta run.
gotta fly
fly
before one moment
gets by?
time is love, gotta run,
love to hang longer,
but i got someone who waits,
waits for me and right now
she's where i need to be
time is love, gotta run,
love to hang longer,
but i got someone who waits,
waits for me and right now
she's where i need to be,
time is love, gotta run.
time is love, gotta run?
