

# I Wish I Were In Love Again

Frank Sinatra

The sleepless nights, the daily fights  
The quick toboggan, when you reach the heights  
I miss the kisses and I miss the bites  
I wish I were in love againThe broken dates, the endless waits  
The lovely loving and the hateful hates  
The conversation with the flying plates  
I wish I were in love againNo more pain  
No more strain  
Now I'm sane  
But I'd rather be punched, drunkThe pulled out fur of cat and cur  
The fine mismatching of a him and her  
I've learned my lesson  
But I wish I were in love againThe furtive sigh, the blackened eye  
The words, "I love you 'til the day I die"  
The self deception that believes the lie  
I wish I were in love againWhen love congeals, it soon reveals  
The faint aroma of performing seals  
The double crossing of a pair of heals  
I wish I were in love againNo, no more care  
No, no despair  
Now I'm all there now  
But I'd rather be punched, drunkBelieve me sir, I much prefer  
The classic battle of a him and her  
I don't like quiet  
And I wish I were in love again  
In love again, in love again
