

# Happy Days Are Here Again

Annette Hanshaw

So long sad times, go long bad times  
We are rid of you at last  
Howdy gay times, cloudy gray times  
You are now a thing of the pastHappy days are here again  
The skies above are clear again  
So lets sing a song of cheer again  
Happy days are here againAltogether, shout it now, theres no one  
Who can doubt it now  
So lets tell the world about it now  
Happy days are here againYour cares and troubles are gone  
Therell be no more from now on, from now onHappy days are here again  
The skies above are clear again  
So lets sing a song of cheer again  
Happy times, happy nights  
Happy days are here again!
