

# Body

Sean Paul

[Intro](Turn the lights on!)

Sockin' wet

She can't keep dry

I need it bad

Me not tell no lie Put both your hands

Upon the wall

Fleed up girl

I won't let you fall Gotta friend 'round see

There as you there

Put it down repeat

Why you do that girl Gotta little lower

Push on wine

She gon' feel my power

She gon' blow my mind [Bridge] 5..4..3..2..

1.. Girl, time is up

I want to see all of your line is up

Soon I'll spend all night tight up with her

Uptight, up with her

Uptight, up with her [Chorus] Cause me love it when you push it up on me

So me love it when you twist up her body on me

She know I can't resist when she on me

So me love it when you twist up her body on me Send it down on me,

Fling it up on me,

So me love it when she twists of her body on me

When fillin in all day

Come girl and show me

So me love it when you twist up your body on me (Turn the lights on!) So me love it when you twist up your body on me

Cause me love it when you twist up your body on me [Verse 1] Wine em-emi-eminent Me ah represent

Give her red mad efficient

She a tell me say she loves my body

Sent why me ah give her the strenght

Don't have to pear another send

Count she ah count on me land

Ah me love her tall end

Me ah give her current

Just like a Christian me make all repent

When shes see the feed stage to the fullest extent

Girl, don't tell me fi not a Clark Kent

Shoulda know seh me fly straight never bent  
Shoulda know seh me well experienced  
Other little guys them can't make ah dent  
Girl, come feel the consequent  
Girl, me know seh you well excellent  
Girl, wine up you body  
Wine up you body, girl  
Cause me know seh you must godsend[Bridge]
