California Dreaming

Global Deejays

All the leaves are brown and the sky is gray I've been for a walk on a winter's day I'd be safe and warm if I was in L.A. California dreaming on such a winter's dayStopped in to a church, I passed along the way Well, I got down on my knees and I pretend to pray You know the preacher likes the cold He knows I'm gonna stay California dreaming on such a winter's dayAll the leaves are brown and the sky is gray I've been for a walk on a winter's day, yeah I'd be safe and warm if I was in L.A. California dreaming on such a winter's dayCalifornia dreaming on such a winter's day California dreaming on such a winter's day California dreaming on such a winter's day California dreaming on such a winter's dayCalifornia dreaming on such a winter's day California dreaming on such a winter's day California dreaming on such a winter's day California dreaming on such a winter's day California
