I'm Grateful

D'Menace

I woke up this morning, closed in my right mind
Counting all the blessings I've had in my lifetime
I'm so fortunate to have someone like God
Heavenly FatherWhen I was having so many problems
No one but Him could help me solve them
He stepped in and He made everything okay
And for this I'm so gratefulI'm grateful, so thankful
To be in the land of the living
I'm grateful, I'm so thankful
To be in the land of the livingI don't mind sharing my testimony
To anyone who hear it 'cause I'm lead by the spirit
And it's possible that something I might say
To help along the wayBeen through the storm but here I'm still standing
On solid ground I keep on landing
That's why I have so much faith in God
For His love I'm gratefulI'm grateful, so thankful
To be in the land of the living
I'm grateful, I'm so thankful
To be in the land of the livingI'm grateful, so thankful
To be in the land of the living
I'm grateful, I'm so thankful
To be in the land of the livingYes, I'm grateful, yeah, I'm thankful
He spared me, He gave another chanceI'm grateful, so thankful
To be in the land of the living
I'm grateful, I'm so thankful
To be in the land of the livingI'm grateful, so thankful
To be in the land of the living
I'm grateful, I'm so thankful
To be in the land of the living
I'm grateful
