

Spread A Little Love On Christmas Day

Destiny's Child

[illegible]

Spread a little love on Christmas day
Somewhere high up in the sky
My Santa Claus is comin'
With Donner, Dancer, Prancer, Vixen
Keepin' Randolph comin'
He's bringin' goodies
To the ghettos and the hoodies
To mansions and suburban places
And apartment kiddies
Representing Houston, Texas
ATL, Illinois ladies
Chillin' with Rosie O'donnell
Havin' a good time we clownin'
(Some think I am blessed)
Just because of the
(Amount written on my check)
Not because of the
(Amount of my happiness)
Is the reason
(Why I am so blessed?)
So I'm gonna
(Havin' me a Merry Christmas)
Christmas
(Feliz Navidad)
Feliz Navidad
(And havin' me a Merry Kwanzaa)
Kwanzaa
(Happy Hanukkah)
So I'm gonna
Spread a little love on Christmas day
Spread a little love on Christmas day
Spread a little love on Christmas day
Spread a little love on Christmas day
Spread a little love on Christmas day
Spread a little love on Christmas day
Spread a little love on Christmas day
Spread a little love on Christmas day
Do you have my back on Christmas day?
Yes, I got your back on Christmas day
Do you have my back on Christmas day?
Girl, I got your back on Christmas day
You got my back?
(I got your back)
You got my back?
(I got your back)

You got my back?

(I got your back)

You got my back?

Listen!

My youngsters, teenagers, my mommas, my poppas

My sisters, my brothers, grandmothers, grandfathers

My uncles, my aunties, my nephews, my nieces

I hope you, I hope you're ready for the season

And I hope you heard one thing I had to say

Laugh, love, care, share, bring peace and pray

Bring lots of happiness and joy to someone's day

We're gonna spread a little love on Christmas day

Spread a little love on Christmas day

Spread a little love on Christmas day

Spread a little love on Christmas day

Spread a little love on Christmas day

Spread a little love on Christmas day

Spread a little love on Christmas day

Spread a little love on Christmas day

Spread a little love on Christmas day

Spread a little love on Christmas day

Spread a little love on Christmas day

Spread a little love on Christmas day

Spread a little love on Christmas day

Spread a little love on Christmas day

Spread a little love on Christmas day

Spread a little love on Christmas day

Spread a little love on Christmas day
