Speak Up

Janne Schra

Speak up, your silence is killin' me
I've had enough, baby speak up
Are you lovin' or hatin' me?
'Cause I can never tellI'll be the first to admit it, been silent for a minute
Thinkin' like damn, is he feelin' me?
We fell in love, took a second but now I'm always checkin'
'Cause I never hear you say what you really thinkSome days I feel it then I feel it's over
Some days we're hotter then some days we're colder
When you open up our love is alive
But now you're quiet and I'm dyin' insideSo baby speak up ' cause your silence is killin' me
I've had enough, baby speak up
Are you lovin' or hatin' me?
'Cause I can never tell, I can never tellJust let your heart say what you can't say, speak up
Let your heart say what you won't say, speak up
Don't let the silence tear us away
'Cause I can never tell, I can never tell
If you don't speak upI don't know where you've been but nothin's makin' sense
I'm standin' on this fence for you
And even when you're here somehow you disappear
If I could read your mind I'd know just what to doSome days I feel it then I feel it's over
Some days we're hotter then some days we're colder
When you open up our love is alive
And now you're quiet and I'm dyin' insideSo baby speak up 'cause your silence is killin' me
I've had enough, baby speak up
Are you lovin' or hatin' me?
'Cause I can never tell, I can never tellJust let your heart say what you can't say, speak up
Let your heart say what you won't say, speak up
Don't let the silence tear us away
'Cause I can never tell, I can never tellSpeak up, I'll be at the door before the sun comes up
Boy, catch me if you can while I'm poppin' that clutch
Tried to be the one, I gave it all I've got
I'm givin' you your last shotIf you don't speak up
Say all the words that you never said
Write all the letters that I never read
Show me your words or the love is dead
Just wanna hear it from youFirst to admit it, been silent for a minute
Thinkin' like damn is he feelin' me?
We fell in love, took a second but you're about to wreck it
'Cause I never hear you say what you really needBaby speak up 'cause your silence is killin' me

I've had enough, baby speak up
Are you lovin' or hatin' me
'Cause I can never tell, I can never tellJust let your heart say what you can't say, speak up
Let your heart say what you won't say, speak up
Don't let the silence tear us away
'Cause I can never tell, I can never tell
Speak upIf you don't speak up
Open up your mouth ' cause baby I'm listenin'
