Brainpower (Game on's Pure Moods Mix)

Freezepop

I love ithad a good idea the other day
gonna start a new band and we'll learn to play
yeahhhhhh
we'll be the best
if you're looking for our record at the mall
well here's the thing, we'll be called
braaaainpowerbrainpower! (7x)did I mention I was drunk
when I thought it up
it was kinda dumb
noooooooooooo
maybe not the best
it is not a good band name
no, I should have used that very same
braaaaainpower that I'd mentioned before
