

Brainpower (Game on's Pure Moods Mix)

Freezepop

I love ithad a good idea the other day
gonna start a new band and we'll learn to play
 yeahhhhhh
 we'll be the best
 if you're looking for our record at the mall
 well here's the thing, we'll be called
 braaaaainpowerbrainpower! (7x) did I mention I was drunk
 when I thought it up
 it was kinda dumb
 noooooooooooooo
 maybe not the best
 it is not a good band name
 no, I should have used that very same
 braaaaainpower that I'd mentioned before
