

# Kiboko Yangu

## MwanaFa

kwa sifa moja umenikamata, nakupa  
we peke yako ndo umeniweza... heey  
nilikopita nimeteleza, lakini kwako  
we ndio kiboko yangu

kila shetani ana mbuyu, wake we ni mibuyu mitatu  
ukiamua unitumikishe mwenzio ntalala na viatu  
najionea maajabu najionea mapya mama 'angu  
hakuna mapenzi ya hivi popote kwenye ulimwengu  
siwezi elezea jinsi ninavyokuzimia  
nikicheza na moyo wako nacheza na wangu pia  
nafsi yangu ilishapotea siwezi hata kujitetea  
ka' ulitoroka peponi uzuri ulivyokuenea  
figure la kushoto ntageuza na la kulia  
wengine hawanijaribu wanajua kitachotokea  
sitaki mambo yaende kombo, na yakienda yawahi kurudi  
hatuendi nayo hatuwezi shindwa yaje na pambio ikibidi  
tunapishana hatugombani, then we back here  
hatuendi juu hatuendi chini ila we love it right here  
hata mapenzi yakifa boo situbaki sawa tu  
si' ni watu wazima halafu hatuwezi ishi ka' underground  
ukiwa na nusu ya moyo wangu na nusu iliyobaki kwangu  
yote nakupenda wewe, una Jua langu na mwezi wangu  
unatembea na roho yangu, sio tena .....  
we ndio Michelle Obama wangu

kwa sifa moja umenikamata, umenikamata!  
we peke yako ndo umeniweza... umeniweza!  
nilikopita nimeteleza, lakini kwako  
we ndio kiboko yangu  
sipagawi, hawajui kwanza  
we ndio namba moja unawakimbiza  
unatembea na roho, nataka ujue  
wewe ndio kiboko yangu
