

# I'm Ugly and I Don't Know Why

## Betty Blowtorch

I was walking home from school one day  
When I saw Danny standing there  
I tried to show him my dirty underwear  
He showed me his, but nothing could compare  
Then he said You're ugly. What the fuck gave birth to you?  
You're ugly. And I bet your mom is too  
You're ugly. Man, what's with that 'do?  
You're ugly... because you're ugly You know, I kinda wonder when I think back to those days  
Why did all the boys get scared and run away?  
So I looked in the mirror to see if it was true  
And my reflection looked at me like it was scared too  
And it said You're ugly. What the fuck gave birth to you?  
You're ugly. And I bet your mom is too  
You're ugly. Man, what's with that 'do?  
You're ugly... because you're ugly Let me tell you guys a little story about my second grade love  
His name was Danny and he looked so good this one day in his plaid Toughskins  
And every day after school I'd go pick him up at his classroom  
And one day these three little girls came out right before he did  
And one this girl named Heidi Weller had a handful of pumpkin seeds  
And I said "Let me see those pumpkin seeds" and she said "No"  
So I grabbed her hand I said "let me see those pumpkin seeds NOW bitch"  
And I looked at them and they had Danny Irving's name on each and every one of those damn pumpkin seeds  
And I said "Hey, bitch. That's my boyfriend. Why do you have my boyfriend's name on all your pumpkin  
seeds, you little slut? You little seven year old slut! I'm gonna kick your fuckin' ass, bitch!"  
You know what she had the nerve to say to me, that little cunt?  
She said You're ugly. What the fuck gave birth to you?  
You're ugly. And I bet your mom is too  
You're ugly. Man, what's with that 'do?  
You're ugly... Because you're ugly
