Yes!

Chad Brock

She moved into my old apartment
That's how we got this whole thing started
She called and said that I had mail waiting there for meI told her that I'd come and get it
How could I know in just a minute
That I'd be standing face to face with my own destinyOh and we sat there talking just like we were old friends
Oh then I asked her, can I see you again?She said, "Yes" and I said, "Wow"
And she said, "When" and I said, "How about right now"
Love can't wait then I asked if she believed in fate
And she said, "Yes"The days flew by just like a fast train
And nothing else has been on my brain
Except the thought of how she makes me the man I want to beShe's the one I want for a million reasons
Loving her is just like breathing
It's easy and it's obvious, she was made for meOh then it happened one night looking in her eyes
And oh when I popped the question much to my surpriseShe said, "Yes" and I said, "Wow"
And she said, "When" and I said, "How about right now"
Love can't wait then I asked if she believed in fate
And she said, "Yes"So we called the preacher, family and friends
And nothing's been the same sinceShe said, "Yes" and I said "Wow"
And she said, "When" and I said, "How about right now"
Love can't wait then I asked if she believed in fate
And she said, "Yes", she said, "Yes"
