

# As High as You Can Go

## The Chameleons

Out of tune boys, out of tune boys  
Signposts to the sun  
Single file boys, single file boys  
Signposts to the sun  
High as you can go, Lennon to Monroe  
Clawed their way to the stars  
High as you can go, Lennon to Monroe  
Clawed their way to the stars  
I think they knew

And I don't care who you are  
Oh, sign the line and away you fly

Unexpectedly rejected  
Safety for the few  
Same excuses resurrected  
None of them are true  
High as you can go, Grace Kelly to Garbo  
Clawed their way to the stars  
High as you can go, Grace Kelly to Garbo  
Clawed their way to the stars  
I think they knew

No, I don't care who you are  
Just sign the line and away you fly

Take a chance and join the dance  
And you can make the sound  
Take a chance and join the dance  
And you can go to ground  
Take a chance and join the dance  
And you can make the sound  
Take a chance and join the dance  
And you can go to ground  
Oh, go to ground

And I don't care who you are  
Oh, turn around and away you fly  
And away you fly  
And I don't care who you are

No, I don't care who you are
