# Lust For You

## Skip the Use

i'm feeling glad here with you
makes me wonder if i ever knew anything this good could be true
should i keep on looking for happiness
is there a street that's got your name
i want to lose the pain inside my head
yeah i got a lust for you
and you gotta give it up
i'm losing my mind
i know exactly who i am
i'm cool with what i'll never be
feels like Johnny Cash's middle finga
though we had our fling let's go for a ride
i know baby you're ready to drive
and i know you want someone on your side
yeah i got a lust for you
and you gotta give it up
i'm losing my mind
