## Norther

You judge, you know better, you think that you are something more,  
I know you're something less.  
You say, you are better, you think that you are so much more,  
I know you're so much shit  
Every day, it goes further, you're loosing everything there's left, and that  
ain't much.  
Anyway it's wrong, anyway it's bad, anyway so sad that this is where we've  
come So sad, so real  
No way, to feel[-chorus-]  
you don't know  
you don't know  
you don't know shit[solo: Pete]  
[solo: Kride]
