Dara Maclean

It's cold out here tonight
I'm worn out from the fight
I catch my breath
And pray for rest

Still a fire burns, lighting up the room
I know You're here with me
You wrap me in Your arms,
Like only You can do,
I know You're all I need
With You, I'll always be
Home

Days like this will come
But still I'm gonna trust
You are the strength, in me
And You will never leave

Still a fire burns, lighting up the room
I know You're here with me
You wrap me in Your arms,
Like only You can do,
I know You're all I need
With You, I'll always be
Home

I won't forget all You have done for me
I find my hope in who You are
And when I feel alone,
You will always comfort me
It's You who holds my heart
Home is where You are

Still a fire burns, lighting up the room
I know You're here with me
You wrap me in Your arms,
Like only You can do,
I know You're all I need
With You, I'll always be
Home
