

Unbreakable (Club Edit) [feat. Sam Martin]

Dirty South

The secret that you know,
But you don't know how to say it,
Surrounded by the Wall,
And there's nothing left for breaking, The sun will guide you home if you let it,
Far far away if you let it,
But I'll take you there, don't forget it
I know we'll make it The sun will guide you home if you let it,
Far far away if you let it,
But I'll take you there, don't forget it Now we feel unbreakable
All my wicked days are gone
Where we're going? We don't know
Like tornados, we will grow
You will learn to know
You're beautiful, beautiful You will learn to know
You're beautiful, beautiful (Chorus)
You're beautiful, beautiful You're halfway through the feeling
But you don't have to tremble
And I could let you know
We could live beyond the shadows The sun will guide you home if you let it,
Far far away if you let it,
But I'll take you there, don't forget it
I know we'll make it The sun will guide you home if you let it,
Far far away if you let it,
But I'll take you there, don't forget it You're beautiful x4 Now we feel unbreakable
All my wicked days are gone
Where we're going? We don't know
Like tornados, we will grow
You will learn to know
You're beautiful, beautiful You're beautiful, beautiful x4
