Heart Hypnotic

Delta Goodrem

Grey skies over a setting sea
Heartbreak, that sounds like a symphony
Future memories at the thought of you
Perfect moments of a desperate youth

Sun light running into the moon
Just like all of the things you do
The way you?ve got me,
Yeah, You in control,
You can hypnotize me,
You hypnotize me,

I don?t,
I don?t know what this is,
But I know I love it,
Baby yes I know,
You got my heart hypnotic,
Aint no letting go

I don?t,
I don?t know what this is,
But I know I love it,
Baby yes I know,
You got my heart hypnotic,
Aint no letting go

Dark nights under the setting sun
Bright lights, come we're the only one
I've got this vision, how it's supposed to be
There's a fortune teller, telling you and me

Your light, is beaming inside of you,
That's how, you mesmerise me too,
The way you?ve got me,
Yeah you in control,
You can hypnotize me,
You hypnotize me

I don?t,

I don?t know what this is,
But I know I love it,
Baby yes I know,
You got my heart hypnotic,

I don?t,
I don?t know what this is,
But I know I love it,
Baby yes I know,
You got my heart hypnotic,
Aint no letting go

I, I don?t know what this is,
But I know that I, I love it,
I, I don?t know what this is,
But you got my heart hypnotic

I, I don?t know what this is,
But I know that I, I love it,
I, I don?t know what this is,
But you got my heart hypnotic
