Syd Matters

No more lies
No more lies
It's a flame in your eyes
See my heart is burning in your eyesOooh heart, keep knocking
Coffee-blood, fast healing
'til I don't feel bruises anymoreA house of fear
A dying house
A dying house
In our bed, stay near me in our bed
No more lies
No more lies
See my heart is burning in your eyes
Ooh let's keep walking
It's a whole like walking
Truth is I'm not going anywhereI am not going anywhere
