

Heart Full Of Soul

Chris Isaak

Sick at heart and lonely, deep in dark despair
When you want her only, tell me where is she, where?
And if she says to you, that she don't love me
Just give her my message, tell her of my plea

And I know

If I could have her back again
I would never make her sad
I got a heart full of soul
I got a heart full of soul
She's been gone such a long time
Longer than I can bear

But if she says she wants me
Tell her I'll be there

And I know

If I could have her back again
I would never make her sad
I got a heart full of soul
I got a heart full of soul

Sick at heart and lonely, deep in dark despair
When you want her only, tell me where is she, where?
And if she says to you, that she don't love me
Just give her my message, tell her of my plea

And I know

If I could have her back again
I would never make her sad
I got a heart full of soul
I got a heart full of soul
I got a heart full of soul
