

# I Can't Believe You Love Me

Barry White

I've heard people say that  
Too much of anything is not good for you, baby  
Oh no, but I don't know about that  
There's many times that we've loved We've shared love and made love  
It doesn't seem to me like it's enough  
There's just not enough of it  
There's just not enough oh, oh, babe My darling, I can't get enough of your love, babe  
Girl, I don't know, I don't know why  
Can't get enough of your love babe  
Oh, some things I can't get used to no matter how I try Just like the more you give  
The more I want  
And baby, that's no lie  
Oh no, babe Tell me, what can I say? What am I gonna do?  
How should I feel when everything is you?  
What kind of love is this that you're givin' me?  
Is it in your kiss or just because you're sweet? Girl, all I know is every time you're here  
I feel the change, somethin' moves  
I scream your name  
Do whatcha got to do [unverified] Darling, I can't get enough of your love babe  
Girl, I don't know, I don't know, I don't know why  
I can't get enough of your love babe  
Oh no, babe Girl, if I could only make you see  
And make you understand  
Girl, your love for me is all I need  
And more than I can stand  
Oh well, babe How can I explain all the things I feel?  
You've given me so much girl, you're so unreal  
Still I keep loving you more and more each time  
Girl, what am I gonna do because you blow my mind I get the same old feelin' every time you're here  
I feel the change somethin' moves  
I scream your name  
Do whatcha got to do [unverified] Darling, I can't get enough of your love babe  
Oh no, babe, baby, let me take all of my life to find you  
But you can believe it's gonna take  
The rest of my life to keep you Oh no, babe  
My darling, I can't get enough of your love babe  
Yeah, I don't know, I don't know, I don't know why  
Can't get enough of your love babe  
Oh my darling, I can't get enough of your love babe Oh, babe

I don't know, I don't know, I don't know why  
I can't get enough of your love babe  
Oh, babe
