Amy's Song

Guttural Riot

Amy was a drunk Amy had weird toes Amy had jÃ¤ger and a bloody nose Amy got high but she felt real low Amy hitched a ride and ran away from home Amy was hot but then she got fat Amy started doing meth now she's not that bad I caught Amy sucking off my dad pops said she was the best he ever had

Blacked out Amy didn't give a fuck blacked out Amy was a dirty slut blacked out Amy took it in the butt, blacked out, Amy blacked out, blacked out!

Puking in the toilet pissing in the sink some one get Amy another drink Amy starts to cry but then she starts to laugh when Amy's outta booze she can get real mad Amy smells like shit and she needs a bath Amy's song is really funny but her life is sad Amy lost her shoes Amy broke her phone Amy don't know how she's getting home

Blacked out Amy didn't give a fuck blacked out Amy was a dirty slut blacked out Amy took it in the butt, blacked out, Amy blacked out, blacked out!

She's a fuckin mess it's only getting worse lying to her dad stealing from her mothers purse Amy's gonna die if she don't get sober Amy's liver failed now her life is over....Amy's breakin down!
