

Nobody's Fault But Mine

Tom Jones

Nobody's fault but mine
Nobody's fault but mine
If I die and my soul be lost
Nobody's fault but mineMy sister taught me how to read
My sister taught me how to read
If I die and my soul be lost
Nobody's fault but mineI got a Bible in my home
I got a Bible in my home
If I don't read, my soul be lost
Nobody's fault but mineNobody's fault but mine
Nobody's fault but mine
If I die and my soul be lost
Nobody's fault but mineI've got good lovin' in my home
I've got good love in my home
If I leave that love behind
Nobody's fault but mineNobody's fault but mine
Nobody's fault but mine
If I die and my soul be lost
Nobody's fault but mineMy mother taught me how to pray
My mother taught me how to pray
If I die and my soul be lost
Nobody's fault but mineMmm, hmm, hmm, hmm
Mmm, hmm, hmm, hmm
Mmm, mmm, hmm, mmm, hmm, hmm
Nobody's fault but mine
