Ghostface Killah

Yeah, whassup, y'all, whassup?
This is Ghostface, straight from Staten Island
You know I don't really mean no harm But it just happens you know
When I step approach a motherfuckin' wack nigga
That tryin' to spit his darts and can't spit 'em
Check it out though, aiyoScientific, my hand kissed it, robotic let's think optimistic
You probably missed it, watch me dolly dick it
Scotty, watty, cop it to me, big microphone hippie
Hit Poughkeepsie crispy chicken, verbs throw up a stone RichieChop the O, sprinkle a lil' snow inside a Optimo
Swing the John McEnroe, rap rock, 'n' roll
Tidy Bowl, gung-ho pro, Starsky with the gumsole
Hit the rump slow, parole kids, live RapunzelBut Ton' stizzy really high, the vivid laser eye guide
Jump in the Harley ride, Clarks I freak a lemon pie
I'm 'bout it, 'bout it, Lord forgive me, Ms Sally shouted
Tracey got shot in the face, my house was overcrowdedYou fake cats done heard it first on how I shitted on
your turf
At times, Cuban Link verse, yo
Check out the rap kingpin, summertime fine jewelry drippin'
Face in the box, I seen your ear twitchin'As soon as I drove off, Cap' came to me with three sawed-offs
Give one to Rae', let's season they broth
Lightning rod fever heaters, knock-kneeder, Sheeba for hiva
Diva got rocked from the receiver bleederPortfolio, lookin' fancy in the pantry
My man got bigger dimes, son, your shit is scampi
Base that, throw what's in your mouth, don't waste that
See Ghost lampin' in the throne with King Tut hat
Straight offYeah, yeah
I just wan't y'all niggaz
Smack all y'all niggaz, niggarettes
Universal death threats, yeah
This be the God Body, yeah, no doubt
Judge WiseAiyo, spiced out Calvin Coolidge, loungin' with 7 duelers
The Great Adventures of Slick, lickin' with 6 rugers
Rock those, big boy Bulotti's out of Woodridge
Porch for the biggest beer, season giraffe ribsRotissiere ropes, hickory scented mint scented glaze
Perfected find truth within self, let's smoke
All hail to my hands, 50 thou' appraisal
Dirty nose with the nasal drip, click flipped on famDancin' with Blanch and them bitches, flickin' goose pictures
Kick down the ace of spades, snatch Jack riches
Olsive compulsive lies flies with my name on it

Dick made the cover now count, how many veins on it
Scooby snack, Jurassic plastic gas, booby trap
Ten years workin' for me, you wanna tap shit?
Bung, bung, bung, your bell went rung, rung, rung
Staple-Land's where the ambulance don't come
Yeah, you see what I mean?
You see what I mean, you motherfuckin' crybabies?
Get in line punk, you should be studyin' your odds
Instead of studyin' me
That's how you lost your first job, punk
Now, get in line, for you get your lil' thick-ass tossed up
Shit, I studied under Bruce Lee, nigga
He was on the fourth, I was on the third
Pass me a honey-dipped spliff, black mental cause continental drift
One whiff of Pow, you gets my divine stiff
Brick rock, late night, hear the tick-tock of my clock
I used to run up and pick a crab lock
Hit his stash, dip back, to the Lab, make him flip
Uptown, boo-doop, now we back on your ass
Incognito, fatal aikido blow, pop a needle
Dick a knock-knee hoe, bust out her fetal
Nine inch long, strong, Bobby pop the bitch thongs
Spit on her, then I banged on my chest like Kong King
Merciless Meng, point the killa bee sting
Ring dings right through your head bing
Snap the wing off of bats, my battle-axe tongue hacks tracks
Once the ball drop, I'ma snatch ten jacks
Pass the crack to a niggarette, puff a looseleaf cigarette
While your man search the Internet for Bob Digitech
In Stereo, crazy as Shapiro
Multiply myself ten times standin' next to zero
And snap my fingers like the Fonz
And bag me a golden bronze skinned girl with the honey blonde
Dip hair, make a nigga flip in his chair
Had the armpit shaved off perfect with the Nair
Stomach fat as a pancake for her man's sake
Used to fuck her when she menstruate
But it made her hyperventilate
Brooklyn
I know, I know, I know, I know
Queens
I know, I know, I know, I know
Shaolin
I know, I know, I know, I know
I know, I know, I know, I know, I know
Bronx
I know, I know, I know, I know
Jersey
I know, I know, I know
Long Island
I know, I know, I know, I know
I know, I know, I know, break it down
