

# Happily Ever After (Rerecorded) [Full Mix]

## Case

"Guess what I did today?"  
Those were the words I said to you  
It was last May, don't know the exact day  
In my hand there was a ring Then you told me that you loved me  
More than anything in your life  
So I asked you, would you do me  
The honor of bein' my wife? (Yes I will)  
I will be your man  
Your protector, your best friend  
'Till my humble life is ended  
And time begins again, couldn't we? Couldn't we be, be happily ever after?  
We could be strong together for so long  
Couldn't we be, be happily ever after?  
Leavin' you never 'til forever's gone When I was away, hmm hmm  
Some friends became just faces  
Some people grew apart  
But you stayed right in my heart And so many times  
Pictured this day inside my mind  
And for so many years, ooh  
I knew it would be you here with me, oh (Yes I will)  
Take you for my wife  
The center of my life  
And I will never, ever fade  
From this choice I made, ooh oh Couldn't we be, be happily ever after?  
We could be strong together for so long  
Couldn't we be, be happily ever after?  
Leavin' you never 'til forever's gone Hey yeah  
You don't have to look no further than me  
(Don't look no more, baby yeah)  
You don't need much more than my lovin' to make you happy  
(I'm so happy, I'm so happy babe)  
Beneath the sight of God  
I will make this vow to you  
So come on baby  
I'll be right here, stay with me  
Said I'll be here baby, hey Couldn't we be, be happily ever after?  
We could be strong together for so long  
Couldn't we be, be happily ever after?  
Leavin' you never 'til forever's gone

(No, no, say no, no, I won't never leave you blue) Couldn't we be, be happily ever after?  
(You see today, I want to, to make you my wife)  
We could be strong together for so long  
(I want to spend all of my life)  
Couldn't we be, be happily ever after?  
(I will never leave, I will never go nowhere)  
Leavin' you never 'til forever's gone  
(Oh no, never hurt you)
